### PTA Cookbook

The BFS PTA is creating a student/parent cookbook. A letter went home today with all students asking for two recipe items that your family could add to the BFS Cookbook.

## The Guiding Light

Just a quick reminder for all juniors to register on-line for the May and June SAT and SAT subject tests. Any student interested in taking either of these tests should register before the spring break. Also, all AP students please inform the proper teacher if you will be taking an AP exam. This information must be reported to your teacher before spring break at the very latest. As always, if you have any questions concerning your child's academic standing feel free to contact me directly or the office to make an appointment.

Sincerely,

Glenn M. Saunders

## Next PTA Meeting

The next PTA meeting will take place Wednesday, March 17th in the school library. All new members are welcome to attend.

## Field Trips

### Kyungju

The high school will be taking a field trip to Kyungju this Friday and Saturday. Students will be leaving Friday morning at 9 am and will return on Saturday around 6:30 pm. Students will have a paintball competition, bonfire, games, and go to Kyungju World. Should be a fun time had by all!

### Bali

We depart next week! On **Friday, March 19th** the Habitat for Humanity team will be off to Bali, Indonesia to build houses during Spring Break. All students going on the trip must be at the airport **no later than 6 a.m.** so it is probably a good idea to make sure you are all packed and ready to go the night before! The Habitat for Humanity team would like to extend a huge thank you to all those who have supported their fundraising efforts this year; the trip wouldn't have been possible without your help.
